MINNEAPOLIS (September 17, 2008)— The North Star Roller Girls are bringing the extreme sport of roller derby to Downtown Minneapolis again for its third season starting on Saturday, October 25th at the Minneapolis Convention Center! These rough and tumble ladies will take a spill and give a thrill when they knock their opponents into the cheap seats. So be sure to get there early for the chance to have one land at your feet.

The North Star Roller Girls (NSRG) is 100% skater owned and operated and plays by the Women's Flat Track Derby Association (WFTDA) rules. These ladies are sweet kindergarten teachers, graphic designers, waitresses, lawyers and moms with wild alter egos thirsting for speed, physical competition, and victory! In addition, NSRG is focused on community by supporting charities and local causes. Last season NSRG had multiple food and clothing drives for various local shelters along with participating in the MN Special Olympics "Polar Bear Plunge" and raised money for the MS Society, Minnesota Chapter.

Advance tickets are available online at www.northstarrollergirls.com or at our local ticket vendors 3rd Lair Skate Park, Capital Guitars, The Electric Fetus, Hot Spot Skate Shop, and Tree House Records. Tickets cost \$10 for General Admission and \$12 for Trackside Seating. Tickets are two dollars more at the door on bout night. For more information and list of vendors visit www.northstarrollergirls.com.
